

**Funding Sources Table 1: NATIONAL FUNDING OPPORTUNITIES FOR
HAZARD MITIGATION, LOCAL PLANNING AND REGULATIONS**

Grantor	Grant Name	Amount (maximum)	Brief Description	Eligible Applicant	Website
U.S. Department of Energy	Energy Efficiency and Conservation Block Grant Program	\$5 million	Provides funding for weatherization of structures and development of building codes/ordinances to ensure energy efficiency and restoration of older homes	Usually through a state, local or private non-profit for pass through to individuals or businesses	http://www1.eere.energy.gov/wip/eecbg.html
U.S. Department of Housing and Urban Development	Sustainable Communities Regional Planning Grants	\$5 million	Provides funding for projects that reduce environmental impacts, promote public awareness, land use, etc.	Local governments or regional governmental entities	http://portal.hud.gov/hudportal/HUD?src=/program_offices/sustainable_housing_communities/sustainable_communities_regional_planning_grants
U.S. Department of Housing and Urban Development	Community Challenge Grants	\$3 million*	Provides funding to help communities update their building codes and ordinances for land acquisition, repurposing old building, and providing affordable and sustainable housing	Local governments or regional governmental entities	http://portal.hud.gov/hudportal/HUD?src=/program_offices/sustainable_housing_communities/HUD-DOT_Community_Challenge_Grants
U.S. Department of Housing and Urban Development	Community Development Block Grant (CDBG) Program	\$60,000,000*	Provides funding for communities to obtain resources for a wide range of unique community development needs	Local governments or regional governmental entities	http://portal.hud.gov/hudportal/HUD?src=/program_offices/comm_planning/communitydevelopment/programs
U.S. Department of Housing and Urban Development	CDBG Disaster Recovery Assistance	\$3 billion*	Provides funding for flexible grants to help cities, counties, and States recover from Presidentially declared disasters, especially in low-income areas, subject to availability of supplemental appropriations	State, local or private non-profit for pass through to individuals or businesses	http://portal.hud.gov/hudportal/HUD?src=/program_offices/comm_planning/communitydevelopment/programs/drsi
Economic Development Administration	Public Works and Economic Development Facilities Program	1:1 matching	Provides funding for communities to re-establish through rebuilding infrastructure and commerce-related structures	States and local communities or regional not-for-profit utilities	http://www.eda.gov/ffo.htm
Enterprise Community Partners, Inc.	Sustainability Training Grants	\$5,000	Provides funding and training on how to implement sustainable and hazard resistant construction techniques		http://www.enterprisecommunity.com/solutions-and-innovation/enterprise-green-communities/resources/sustainability-training-grants
U.S. Environmental Protection Agency	Community Action for a Renewed Environment (CARE)	\$275,000	Provides funding for technical and regulatory support for programs that reduce toxic waste and betters the environment against hazards	State and local governments	http://www.epa.gov/care/
Federal Emergency Management Agency	Pre-Disaster Mitigation Grant Program	Planning: \$1,000,000 Programs: \$3,000,000*	Provides funding for planning and structural construction in local communities, States, territories, and tribes	State, local and eligible PNPs for pass through support to businesses or	http://www.fema.gov/pre-disaster-mitigation-grant-program

**Funding Sources Table 1: NATIONAL FUNDING OPPORTUNITIES FOR
HAZARD MITIGATION, LOCAL PLANNING AND REGULATIONS**

Grantor	Grant Name	Amount (maximum)	Brief Description	Eligible Applicant	Website
	Flood Mitigation Assistance Program	Varies*	Provides funding for planning, structural practices, and regulation assistance pertaining to flooding risk	individuals mitigating property	http://www.fema.gov/flood-mitigation-assistance-program
	Community Disaster Loan Program	\$5 million	Provides funds to any eligible jurisdiction in a designated disaster area that has suffered a substantial loss of tax and other revenue		http://www.fema.gov/community-disaster-loan-program
U.S. Green Building Council	Affordable Green Neighborhoods Grant Program	\$25,000	Provides funding for the construction of affordable, environmentally conscious, and hazard-sustainable structures	Varies, can be available to businesses	http://www.usgbc.org/DisplayPage.aspx?CMSPageID=2184
Ocean and Coastal Resource Management	Administrative Grants	1:1 matching	Provides funding to States for administering coastal management programs	states	http://coastalmanagement.noaa.gov/funding/welcome.html
US Small Business Administration	Small Business Disaster Recovery Loans for Businesses and Property Owners	Varies	Post-disaster loans for property owners and businesses for repair and mitigation in counties with SBA declarations	Businesses and individuals	http://www.sba.gov/category/navigation-structure/loans-grants/small-business-loans/disaster-loans

**Funding Sources Table 2: NATIONAL FUNDING OPPORTUNITIES FOR
STRUCTURE AND INFRASTRUCTURE PROJECTS**

Grantor	Grant Name	Amount (maximum)	Brief Description	Eligible Applicant	Website
U.S. Army Corp of Engineers	Snagging and Clearing for Flood Control (CAP Section 208)	\$500,000	Provides for local protection from flooding by channel clearing and excavation, with limited embankment construction by use of materials from the clearing operation only	State and local governments	https://ofmpub.epa.gov/apex/watershedfunding/f?p=116:2:0::NO::P2_X_PROG_NUM,P2_X_YEAR:105,2013
Bank of America	Community Development Grant	Varies*	Provides funding for revitalization of local communities	Usually through private non-profit organization for pass-through to businesses and other organizations	http://about.bankofamerica.com/en-us/global-impact/charitable-foundation-funding.html#fbid=y-SVpURtQIN
US Bureau of Land Reclamation	WaterSMART Renewable Energy and Endangered Species Protection	1:1 matching	Provides funding for projects that conserve and efficiently use water, increase the use of renewable energy, and protect endangered species	State and local governments	http://www.usbr.gov/WaterSMART/weeg/index.html

**Funding Sources Table 2: NATIONAL FUNDING OPPORTUNITIES FOR
STRUCTURE AND INFRASTRUCTURE PROJECTS**

Grantor	Grant Name	Amount (maximum)	Brief Description	Eligible Applicant	Website
Coastal Services Center	Cooperative Agreements	\$3.5 million	Provides funding for conservation and management of coastal resources through a variety of mechanisms	State, regional and local governments	http://www.csc.noaa.gov/funding/index.html
U.S. Department of Energy	Energy Efficiency and Conservation Block Grant Program	\$5 million	Provides funding for weatherization of structures and development of building codes/ordinances to ensure energy efficiency and restoration of older homes	Usually state or local governments pass – through to businesses	http://www1.eere.energy.gov/wip/eecbg.html
U.S. Department of Housing and Urban Development	Emergency Solutions Grants Program	\$14 million	Provides funding for sheltering, outreach, and data research for emergency preparedness projects focused on unsheltered people	Usually state or local governments pass – through to businesses	http://portal.hud.gov/hudportal/HUD?src=/program_offices/comm_planning/homeless/programs/esg
	Community Development Block Grant (CDBG) Program	\$60,000,000*	Provides funding for communities to obtain resources for a wide range of unique community development needs	NYC government pass –through to businesses	http://portal.hud.gov/hudportal/HUD?src=/program_offices/comm_planning/communitydevelopment/programs
	CDBG Disaster Recovery Assistance	\$3 billion	Provides funding for flexible grants to help cities, counties, and States recover from Presidentially declared disasters, especially in low-income areas, subject to availability of supplemental appropriations	NYC Government pass through to businesses	http://portal.hud.gov/hudportal/HUD?src=/program_offices/comm_planning/communitydevelopment/programs/drsi
U.S. Department of Transportation	TIGER Discretionary Grants	\$21 million	Provides funding for projects that strengthen the economy, creates jobs, reduces gridlock, and provides safe, affordable, and environmentally sustainable transportation choices	States and local governments	http://www.dot.gov/tiger
Economic Development Administration	Public Works and Economic Development Facilities Program	1:1 matching	Provides funding for communities to re-establish through rebuilding infrastructure and commerce-related structures	States and local governments; regional authorities	http://www.eda.gov/ffo.htm
US EPA	Community Action for a Renewed Environment (CARE)	\$275,000	Provides funding for technical and regulatory support for programs that reduce toxic waste and betters the environment against hazards	Can go directly to organizations	http://www.epa.gov/care/
US EPA	Brownfields Assessment and Cleanup Cooperative Agreements	\$1 million	Provides funding for brownfields assessment, cleanup, revolving loans, and environmental job training	State governments pass through to communities	http://www.epa.gov/brownfields/
FEMA	Hazard Mitigation Grant Program	75% Federal matching	Provides funding for mitigation activities such as acquisition, elevation, and retrofitting of structures	State governments pass through to communities and then businesses	http://www.fema.gov/hazard-mitigation-grant-program
	Pre-Disaster Mitigation	Planning: \$1,000,000	Provides funding for planning and structural	State governments	http://www.fema.gov/pre-disaster-

**Funding Sources Table 2: NATIONAL FUNDING OPPORTUNITIES FOR
STRUCTURE AND INFRASTRUCTURE PROJECTS**

Grantor	Grant Name	Amount (maximum)	Brief Description	Eligible Applicant	Website
	Grant Program	Programs: \$3,000,000*	construction in local communities, States, territories, and tribes	pass through to communities and then businesses	mitigation-grant-program
	Flood Mitigation Assistance Program	Varies*	Provides funding for planning, structural practices, and regulation assistance pertaining to flooding risk	State governments pass through to communities and then businesses	http://www.fema.gov/flood-mitigation-assistance-program
	Community Disaster Loan Program	\$5 million	Provides funds to any eligible jurisdiction in a designated disaster area that has suffered a substantial loss of tax and other revenue	State governments pass through to communities and then businesses	http://www.fema.gov/community-disaster-loan-program
	Public Assistance (Section 406 Hazard Mitigation Funding)	75% Federal matching	Provides funding for debris removal, emergency protective measures, and the repair, replacement, or restoration of disaster-damaged, publicly owned facilities and the facilities of certain Private Non-Profit (PNP) organizations	State governments pass through to communities	http://www.fema.gov/public-assistance-local-state-tribal-and-non-profit
	Individual and Households Program	\$1.5 million	Provides money and services to people in a Presidentially declared disaster area whose property has been damaged or destroyed and whose losses are not covered by insurance	Directly to eligible individuals and households from FEMA	http://www.fema.gov/individual-assistance-program-tools
National Fish & Wildlife Foundation	Five Star and Urban Waters Restoration Grant Program	\$50,000	Provides funding for projects including protection and restoration of riparian areas and beaches, watershed clean up, education programs, and research of watershed viability	States, communities, eligible organizations	http://www.nfwf.org/Pages/fivestar/home.aspx#.UVMiyxzk6s
Surdna Foundation	Sustainable Urban Environments Program's Urban Water Management	\$450,000	Provides grants for projects that promote sustainable and environmentally conscious urban water management strategies	Community organizations	http://www.surdna.org/what-we-fund/sustainable-environments/4-what-we-fund-/what-we-fund-/482-urban-water-management.html

**Funding Sources Table 3: NATIONAL FUNDING OPPORTUNITIES FOR
EDUCATIONAL AWARENESS PROGRAMS**

Grantor	Grant Name	Amount (maximum)	Brief Description	Eligible Applicant	Website
American Water	Environmental Grant Program	Varies*	Provides funding for programs that restore and protect water resource outlets (watershed, ground water, etc.)	States, communities, eligible organizations	http://www.amwater.com/corporate-responsibility/environmental-sustainability/environmental-stewardship-and-innovation/environmental-grant-program.html
Arbor Day Foundation	TD Green Streets	\$20,000	Provides funding for support of local forestry projects in low- to moderate-income (LMI) neighborhoods	Eligible organizations	http://actrees.org/what-we-do/grants-and-awards/funding/td-green-streets-grant/#more-9354
Climate and Land Use Alliance	Alliance Grants	\$2 million	Provides funding for protecting land through land use and climate change strategies	Eligible organizations	http://www.climateandlandusealliance.org/en/initiatives-en/funding-en/grant-inquiry-form-en/
Coastal Services Center	Cooperative Agreement Grant	\$3.5 million	Provides funding for conservation and management of coastal resources through a variety of mechanisms	States, communities	http://www.csc.noaa.gov/funding/index.html
U.S. Department of Energy	Energy Efficiency and Conservation Block Grant Program	\$5 million	Provides funding for weatherization of structures and development of building codes/ordinances to ensure energy efficiency and restoration of older homes	States, communities, eligible organizations with some pass-through	http://www1.eere.energy.gov/wip/eeecbg.html
U.S. Department of Housing and Urban Development	Sustainable Communities Regional Planning Grants	\$5 million	Provides funding for projects that reduce environmental impacts, promote public awareness, land use, etc.	States, communities, eligible organizations with some pass	http://portal.hud.gov/hudportal/HUD?src=/program_offices/sustainable_housing_communities/sustainable_communities_regional_planning_grants
